KEY STAGE 2 SATS RESULTS

Dear Parents,

I am delighted to be able to write to you with this year's SATs results from Key Stage 2. These assessments are extremely important and give you as parents an indication of the standards of teaching and learning within the school.

All children in Year 6 take part in these assessments and the results are used to assess the children's progress throughout their time at primary school and to compare the school's performance against other schools both nationally and locally. The children are assessed in English (reading, writing, spelling grammar and punctuation) and Mathematics and the results will be used by the children's secondary school as an indication of their general level of attainment.

Key Stage 2 Results

At the end of Key Stage 2 (Year 6) the expectation is that children will reach 'the expected standard' (EXP+). Some may achieve 'Greater Depth Standard' (GDS) and this represents a child that has a deepened understanding of their curriculum and has 'exceeded'.

	Leigh Results EXP+ 2024	National Data 2024	Leigh Results GDS 2024	Kent GDS 2023 *	National GDS 2023 *
Reading	**89%**	74%	**55%**	30%	29%
Writing	**89%**	72%	**33%**	14%	13%
Maths	**77%**	73%	**33%**	22%	24%
SPaG	**77%**	72%	**39%**	-	30%
Science	**100%**	81%	**N/A**	N/A	N/A
Combin.	**77%**	61%	**28%**	8%	8%

*Please note there is not national data for the GDS standard and therefore for comparison I have included data from 2023

Analysis

Reading

These are outstanding results. They show that 89% of our children reached age related expectations or above which is 15% above the National average for this year. Over half of the year group achieved the Greater Depth Standard which is 25% above the National Average for last year.

Writing

These are outstanding results. They show that 89% of our children reached age related expectations or above which is 17% above the National average for this year. A third of the cohort achieved the Greater Depth Standard which is 19% above the National Average for last year.

Maths

These are excellent results. They show that 77% of our children reached age related expectations or above which is 4% above the National average for this year. A third of the year group achieved the Greater Depth Standard which is 11% above the National Average for last year.

SPaG

These are excellent results. They show that 77% of our children reached age related expectations or above which is 5% above the National average for this year. 39% of the children achieved the Greater Depth Standard which is 13% above the National Average for last year.

Combined

These are outstanding results. They show that 77% of our children reached age related expectations or above in Reading, Writing and Mathematics. This is 16% over the National Average. 28% of the children achieved the Greater Depth standard in Reading, Writing and Mathematics – This is 20% over the National Average for last year.

Overall these are extremely pleasing results and demonstrate the hard work and dedication to standards of teaching and learning at Leigh Primary School. Most importantly, they demonstrate the commitment of the children to their learning and they all deserve huge credit for their achievements. I am sure you will join me in wishing our lovely Rhino Class every happiness as they move on to the next phase of their Education next Friday.

Best wishes,

Jenna Halfhide
