SPORT

Netball

I'm delighted to tell you that, for the second year running, the Netball team have won the Sevenoaks District League. They remained unbeaten throughout the season having played St John's, Halstead, Sundridge and Brasted, Knockholt, Shoreham and St. Lawrence. Throughout their matches they managed to amass 68 points and only concede 4. A huge congratulations to all the team and thanks go to Mr Gubb for organising them. The team was: James (captain), Tim, Hugo, Bryce, Mattie, Abi, Adele, Lauren and Ruby.

Football

Yesterday we welcomed Amherst School to play four friendly football matches on the Green. Both teams played extremely well and a great afternoon was had by all. A particular mention must go to the boys who swapped sides and played for Amherst due to the numbers not quite being equal. We are planning to do something similar again in the near future and I will let you when a date has been arranged.

SATs

The Year 6 SATs tests this year will be taking place on Monday 13th May – Thursday 16th May. Please would all parents of children in Year 6 be aware that the children do need to be at school during this week. A timetable will be sent out nearer the time.

SEVENOAKS CLUSTER ORCHESTRA

The Sevenoaks Cluster Orchestra has been running for a number of years and gives children in the local area an opportunity to play together and make new friends. The children have to be about Grade 2 standard on their instrument and, after an all day rehearsal on the 20th May and an afternoon rehearsal on the 8th July, put on a concert at 7pm on Wednesday 10th July at Sevenoaks School. If your child is about Grade 2 in an instrument and would like to participate then please do let me know and I will add their name to the list.

Clubs

All clubs will start again next week and a letter will be sent out reminding everyone of the clubs on offer. Please make sure that if your child is unable to attend that they let the person running that club know.

Brass Demonstration

On Wednesday we were treated to a demonstration on a variety of different brass instruments by Ed and Chris Davis. Ed spoke about how brass instruments work and the different sounds that they make. He then played a number of pieces on the trumpet, cornet, trombone, tuba and euphonium. Mr Davis is happy to teach children from school who might be interested in learning any brass instrument and a letter will be sent out next week.
