School Journey

On Tuesday the Year 6's will be embarking on their residential trip to 4th Dimension Activity Centre in Sussex. I will do my best to update the website everyday with photographs and a short description of what the children have been doing. We realise this is a very exciting but also daunting experience for some of the children and we wish them all the best for their time away.

Class 1 Animal Project

The children in Class 1 have completed a project over half term on 'Animals'. The children made models, completed some research and painted some fantastic pictures based around an animal of their choice. In the end there were five winners but congratulations to all of them for taking part. The winners were: Sophie, Tidda, Leo, George and Tilly.

OFSTED REPORT

Today the new Ofsted report has been published and a copy is available on the website. There are also hard copies in the Reception for those of you without access to the internet. We would like to hold an open meeting for all parents and members of the community to come and discuss the report and ask any questions that you might have. We will be holding this meeting on Monday 17th June at 7pm in Jessica's Hall. Please do come along if you can but do let the school office know you are coming so we know how many chairs to put out.

CHESS SUCCESS

The chess club have been holding a competition over the past few months as part of the UK Chess Challenge. Congratulations to Maddie and Matthew who won the Years 1-3 competition and to Thomas and Nicholas who came first and second in the Years 4-6 competition. Congratulations also to Harry, Maddie and Max who have made it through to the regional gigafinal.

Year 6 – Home to School Transport

Now is the time to apply for your child's bus pass to secondary school at www.kent.gov.uk and click on 'Education and Learning'.

INSET DAY

Please note that the start date for next term has changed. We are now having an INSET day on the 4th September, so the first day the children will be back will be on the 5th September.

A Message from GS PLUS

GSPLUS provide the school meals here at Leigh. They have asked us to remind you that they operate a zero debt policy and therefore respectfully request that all meals are to be paid for in advance. Payment can be received in cash, debit or credit card or PayPal via the website www.gsplus.org Thank you

Working Science

Today the children in classes 3, 4 and 5 have had a fantastic workshop about electricity from the Working Science workshop. A particular thanks to Mrs McDowell for donating the money to the school to allow this event to go ahead.

Vicarage Tea Party

Lionel and Clare Kevis invite you to a Garden Party in the Vicarage garden on Saturday 29th June from 2pm-4pm. Free entry and free strawberry cream teas!

Among other fun activities there will be:

Teddy Bear's picnic

Children's Races

Tug of War

Competition for the dog with funniest bow

Do come and join the fun!!
